Irancy "Les Mazelots"

[A vintage that does not lack character.]

Terroir •

Burgundy - Appellation: Irancy.

The village of Irancy is situated 15 km away from Auxerre, nestled in a valley where vineyards and cherry trees adorn the slopes. Our vineyard parcel, "Les Mazelots," is located directly in front of our estate and faces southward.

Our clay-limestone terroir consists of clay, with varying proportions of limestone present.

The soil is of Kimmeridgian origin, dating back to the Jurassic period, and belongs to the geological strip of Aube.

Surface area•

The total planted area of the Irancy vineyard is 200 hectares.

We harvest 2.5 hectares out of a total of 15 hectares in the "Mazelots" appellation.

Annual production •

16,000 bottles of Irancy "Les Mazelots".

Grape variety •

Red wine made from 100% pinot noir grapes.

Average age of the vine •

40 to 50 years

Work of the vine •

We prune these parcels of vines in simple Guyot. The grapes are harvested at full maturity.

Type of cultivation •

Throughout the year, soil maintenance is done mechanically to avoid chemical weeding.

Vinification •

Once the grapes are sorted and destemmed, we proceed with the alcoholic fermentation in thermo-regulated stainless steel tanks to carefully control the maceration of the berries. To prevent excessive extraction during maceration, we refrain from performing pigeage (punching down). Instead, we employ daily pump-overs to gently irrigate the cap of grape marc, extracting tannins, color, and specific aromas.

Ageing •

Once the alcoholic fermentation is complete, we place our Irancy "Les Mazelots" in barrels for 12 to 15 months depending on the vintage.

Character of the wine •

The tannins are supple and silky. The finish is elegant and sophisticated.

Robe•

Nice purple and intense color.

Nose•

Perfectly balanced between notes of fresh acidic red fruits and tannins spiced by the aging process.

Taste•

An explosive start in the mouth, magnificent aromatic palette.

A beautiful silky aromatic expression with floral and "kirsch cherry" notes.

Food and wine pairing •

It will go wonderfully with your dishes in sauce, leg of lamb, game or duck confit.

Container available for sale•

75 cl, 150 cl, et 300 cl
