" Ratafia de Bourgogne "

[A wine with a secret and unique family recipe !]

Terroir •

Localities of the harvested plots: Sur Mouroux.

Our vines for crafting Ratafia are cultivated in the village of Irancy, situated 15 km away from Auxerre in a picturesque valley adorned with vineyards and cherry trees.

The terroir of our vineyards consists of clay-limestone composition, where the clay contains varying proportions of limestone.

This unique terroir originates from the Kimmeridgian era, dating back to the Jurassic period, and belongs to the geological region of Aube.

Surface area •

The total planted area of the Irancy vineyard is 200 hectares. We harvest 0.5 hectares of our plot to produce our Ratafia.

Annual production •

2 500 bottles of Ratafia

Grape variety •

Spirit wine made from 50% of the Gamay grape variety and 50% of the Pinot Noir grape variety.

Average age of the vine •

30 years.

Work of the vine •

We employ the simple Guyot pruning technique for pruning these vineyard parcels. The grapes are carefully harvested at full maturity, ensuring optimal flavor development.

As for sustainable cultivation practices, we prioritize mechanical soil maintenance throughout the year, utilizing mechanical methods to avoid the use of chemical herbicides for weeding.

Vinification •

To black fermentation, two-thirds grape juice and one-third Marc de Bourgogne are mixed. The product thus retains all its natural sugar.

Ageing •

100% oak barrel for 24 months.

Character of the wine•

The combination of Pinot Noir and Gamay make it an exceptional beverage. The finish of this wine is exceptionally long and is remarkably balanced between freshness and liqueur. It can be kept for many years without losing its flavor.

Robe •

Cherry red and shiny.

Nose •

Aromas of dried fruits, gingerbread, and nuts.

Taste •

A round, unctuous and balanced mouth.

Food and wine pairings•

It is drunk very fresh, as an aperitif or dessert accompanied by a good chocolate mousse!

Service•

Serve between 10 and 12 degrees. Alcohol content: 16.5% | to 18% depending on the year.

Container available for sale•

50 cl
